## **GroundWork Group Receives Technology Honors**

### FOR IMMEDIATE RELEASE

COLUMBUS, OH – The 2007 *TopCAT* Innovation Awards Ceremony was held at the Columbus Convention Center, on January 17<sup>th</sup>, 2008. The annual event recognizes and celebrates the outstanding achievements of Central Ohio technology organizations and leaders. *TopCAT* is the most prestigious technology event in Ohio and its growth to nearly 1,000 attendees this year reflects the increasing impact of Central Ohio’s tech community.

Groundwork Group was recognized with two significant accomplishments for 2007. The organization was presented with the top award in the category of “**Innovation in Nonprofit Service Delivery**” and John Hrusovsky, GroundWork Group CEO was additionally recognized as a finalist in the “**Executive of the Year**” (with less than 50 employees) category.

John Hrusovsky accepted the award on behalf of GroundWork Group.

Angelo Mazzocco, GroundWork Group co-chair said, “This is a major accomplishment for a young organization. I am proud to be part of an organization that is enhancing the technical capability of our nonprofit community.” John Hrusovsky said, “This award reaffirms our belief that we are making progress and we are fulfilling a critical mission in our nonprofit community.”
